SB 434 Suicide Prevention Education by Senator Sobel

Requires, beginning with the 2010-2011 school year, that district school boards provide access to educational resources regarding suicide prevention that are approved by the Statewide Office for Suicide Prevention to all instructional and administrative personnel. Provides for school personnel who choose to participate in suicide prevention training to receive in-service credit hours. Requires that each school district board determine the amount of such credit. (See bill for details)
